This is not an inclusive list of rules, it is ultimately the competitor's responsibility to familiarize themselves with the MWDRS class requirements as well as all NHRA safety requirements. The competitor agrees they bear the ultimate responsibility when it comes to safety and how it complies with the MWDRS and NHRA rule books. The competitor also agrees that no one else other than the competitor is in the best position to know about how their particular race car has been constructed and how to safely operate it. Competitor also agrees to NHRA voluntary participation clause as stated in the Official NHRA Handbook.
